TO SELL: Shorthorn cows, calves, steers and bulls. Bulls must be registered. Anyone may consign one bull.

Anyone wishing to consign more than one bull must consign an equal number of females or steers. Unregistered she stock may sell provided it is purebred beef type Shorthorn and of sufficient quality. Cross bred calves may be sold provided that both parents were beef stock and that one parent was Shorthorn and that they are of sufficient quality. The Sale Committee will have the authority to determine whether or not animals meet the necessary qualifications to sell.

An individual Health Certificate must accompany each consignment.

MANNER OF SALE: Sale order will be club calves, bulls, females, and steers. Club calves will be sold singly or grouped by ownership and the breeder of the cattle will be identified. The Sale Committee will determine the order of sale for the first 10 head of bulls and up to the first 20 head of females, the exact number to be at the discretion of the Sale Committee. The remainder of the bulls will sell by age, beginning with the oldest and going to the youngest. JOPLIN STOCKYARDS
JOPLIN, MISSOURI 64801

Dear Shorthorn Friend:

We hope you will attend the Sixteenth Annual 4-State Shorthorn Association "Off the Grass" sale to be held, this year, on Saturday, December 4.

The recovery in the cattle business that had been predicted, and has been expected, has failed to materialize. We know certainly, however, from the large liquidation of females we have seen at the commercial markets the past two years, and the current liquidation of heavier weight off the grass cattle that back log inventories are being cleared out, so that while we have been disappointed by the slowness of the recovery it is inevitably coming.

There are fewer cattle on offering at this year's sale than we have had in the past. There is no doubt that the condition of the cattle market has contributed to this. Another major factor has been the type change that has pervaded the entire cattle industry for the past few years. There are still unanswered questions between the areas defined by type and those defined by grade. Even when goals are distinct it is no small job to turn a herd around.

It is interesting to note that this sale includes a number of offerings of the newer breeding trends. No stronger Haumont pedigree could be found than in the Earl J. Feiser offering. There is a pair of young animals sired by Mandalong Super Flag, the imported Australian bull that has been used very successfully artificially, and there are any number of head showing the close up breeding of the 21st and "Big Gene", sires that have contributed so substantially to the evolution of the Shorthorn breed. Whatever your goals, you can find cattle in this sale that will serve your purpose.

Looking forward to seeing you December 4.

Yours truly,

Allen McReynolds
Sales Manager

In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy bull or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for

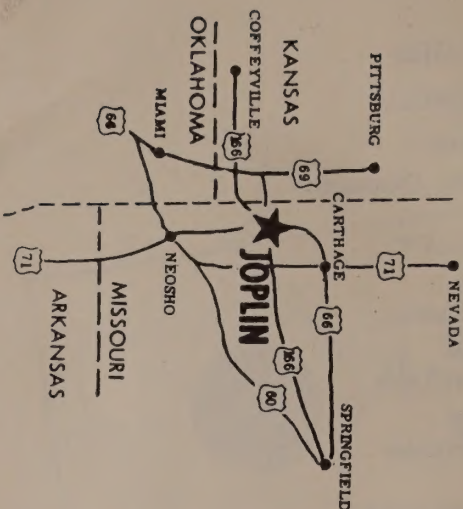

a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals are sold to comply with the laws regulating tuberculosis and Bangs disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk or loss or injury after animal is bid off.
